

MONTEVERRO TOSCANA 2013

This is a Bordeaux blend that competes with the best of Tuscany such as Sassicaia and Ornellaia. It's so structured and refined with beautiful length and sophistication. Full body and gorgeous tension. Fantastic aromas and flavors of currants, plums and tile. Hints of hazelnuts and lavender. Linear and polished on the finish. A wine that delivers so much now but will be even better in four to five years. Best ever from here. From organically grown grapes.
