

BMS Rating: 96

Winery: Collemattoni

Wine: Adone Toscana IGT

**Review:**

**This is more than a simple every day wine. The wine is a blend of 95% Sangiovese and 5% Merlot. On the nose, the wine displays soft notes of red fruits and earth. On the palate, this straight forward red is light bodied with soft berry notes and hints of spice. Macerated for 10 days in stainless steel, this would pair well with tomato based soups and pizza.**
