

BMS Rating: 94

Winery: Collemattoni

Wine: Rosato Rose Toscana IGT

Review:

This wine is made from 100% Sangiovese from Montalcino. This salmon hued wine is fresh, lively and juicy. Aromas of crushed strawberry, melon, watermelon and minerals, the flavors carry through on the palate with fresh persistence. This is by far the best Rose I have had from Italy and at this price point you cant beat it !!
